

ISAIAH – The LORD is the Holy One of Israel
Lesson 9 – My Answers to Questions 1 & 2
The Servant's Ministry
Isaiah 49:1 – 53:12

1. Why is Jesus the only one who fits the title of the Servant of the LORD?

He is the only begotten Son of God and is without sin.

He is the only true bondservant (Hb: ebed) of the Father, so we may see the way to the Father's House.

He alone fulfilled the role of the Suffering Servant, because that is why He came the first time as the Lamb of God.

Only by faith in Him we receive the Holy Spirit.

He alone fulfills the covenants.

2. Why is it so important that the restoration of Israel be fulfilled literally?

Because it verifies that God's word is true! (even when it seemed impossible)

So that we can believe and trust God's promises for us including salvation, resurrection, eternal life with no more death, mourning, crying or pain.

That we too will experience restoration when we receive our new glorified bodies, when we are reunited with our saved love ones who have gone before us.

That all of God's promises will be fulfilled.
